

Long Range Planning Team Update

It has been a long time coming, but we are ready to start phase one of the building remodel! Much of this plan was shared in the December business meeting, but there will be a special called meeting on Sunday, February 11 at 6:00pm. This meeting will be informational in nature as all of the proper committees and teams have been working hard to ensure they have done what the church has charged them to do.

Watch your email and listen for announcement as there will be a couple opportunities to clean out downstairs areas before work starts on February 12.

In short, phase one will include:

- Opening the current Welcome Center Entrance by removing the rooms on either side of the door.
- Removing the wallpaper and wood paneling in the back hallway.
- New flooring and paint in the entire old, downstairs wing.
- Expanding a couple of adult classrooms.
- Rehabbing the back hallway bathrooms.

The \$170,000 received from TPC and money from the material contingency account, which has been saved for building upgrades, will fund this project. The church is not taking on debt for this project.

Our Spring Bible studies, starting in less than a month, offer a unique opportunity to deepen your understanding of the scriptures and connect with fellow believers!

Ladies, you will be studying the book of Ruth. Many of us struggle through seasons of bitterness, tears, and loss, wondering if there could ever be a happy ending to our stories. The story of Ruth affirms that, yes, there is hope. However, it's not found in a happy ending scribed by a novelist's pen, but in the power and protection of a sovereign God who never takes His eyes off us for even a moment. There are two options for ladies: Wednesday mornings at 9:15 or Sunday evenings at 5:30. Both will meet in the Agape Parlor, which is located on the 5th St. side of the building. Study guides for this study are \$20.

Guys, you will begin a journey through the 33 Series, representing the 33 years Jesus walked the earth. The series starts with meaningful insights into the current state of manhood, which will help men navigate through some realities that have created cultural confusion. It follows by unfolding God's mandates for all men and offering a clear definition of authentic manhood to help men on their journey. Each participant will learn the four "faces" of manhood and how to anticipate and transition through the specific seasons of life. Men will meet on Sunday evenings at 6:00 pm in the Koinonia Room, which is located on the 6th St. side of the building. Study guides for this study are \$15.

Childcare is available for the Sunday evening sessions. To register, you can scan the QR code or use one of the paper registration forms, which will be available in the Welcome Center starting February 4.

WAYS YOU CAN GIVE TO THE CHURCH

ARE YOU INTERESTED IN BEING A DISCIPLE MAKER?

DO YOU WANT TO INVEST INTO THE LIVES OF GROWING CHRISTIANS?

If the answer is yes, then join Rob for a meeting on Sunday afternoon, February 18 at 5:00 pm in the Koinonia Room.

We are developing a reproducible disciple-making process. This is not about another Bible study.
